CLERK OF THE COURT

ASSIGNMENT OF CLAIM 20307

Hillebrand Gori USA LLC f/k/a JF Hillebrand USA Inc., having a address at 1600 ST GEORGES AV ITE
 301, RAILWAY, NJ 07065 ("Assignor"), in consideration of the sum of of the Claim (the "Purchase Rate"), or (the
 "Purchase Price"), does hereby transfer to Argo Partners, which includes Argo Partners II LLC and Argo Partners Fund III LLC,
 having an address at 12 West 37th Street, 9th Fl. New York, NY 10018 ("Assignee") all of Assignor's right, title and interest in and to
 claim or claims of Assignor (the "Claim"), as more specifically set forth against BWSC, LLC Case No. 22-11239, Jointly
 Administered under Wine, Inc. Case No. 22-11238, in proceedings for reorganization (the "Proceedings") in the United States
 Bankruptcy Court for the District of Delaware (the "Court"), in the currently outstanding amount of not less than \$738,606.08 and all
 rights and benefits of Assignor relating to the Claim, including without limitation the Proof of Claim identified below and Assignor's
 rights to receive all interest, penalties and fees, if any, which may be paid with respect to the Claim and all other claims, causes of
 action against the Debtor, its affiliates, any guarantor or other third party and all cash, securities, instruments and other property which
 may be paid or issued by Debtor in satisfaction of the Claim, together with voting and other rights and benefits arising from, under or
 relating to any of the foregoing. The Claim is based on amounts owed to Assignor by Debtor as set forth below and this assignment
 shall be deemed an absolute and unconditional assignment of the Claim for the purpose of collection and shall not be deemed to create
 a security interest. For the avoidance of doubt, the Claim shall include, without limitation, any and all cure claims, reclamation claims
 and administrative priority claims that may arise out of the same underlying contracts or facts and circumstances that give rise to the
 Claim.

A proof of Claim has been filed by Assignor in the amount of \$945,748.86. The term "Proof of Claim" shall mean any and all
 proofs of claim that may be filed with the Court or its representative in respect of the Claim or any part thereof, whether formal or
 informal and whether previously or hereafter filed which has not been revoked or superseded. For the avoidance of doubt, if the Proof
 of Claim amount differs from the Claim amount set forth above, Assignee shall nevertheless be deemed the owner of the entire Proof
 of Claim subject to the terms of this Agreement and shall be entitled to identify itself as owner of such Proof of Claim on the records
 of the Court.

Assignor further represents and warrants that: the amount of the Claim is not less than \$738,606.08; the Claim in that amount is valid
 and enforceable; no objection to the Claim exists; the Claim is listed by the Debtor on its schedule of liabilities as amended to date
 ("Schedule") as such; no consent, approval, filing or corporate, partnership or other action is required as a condition to, or otherwise in
 connection with, the execution, delivery and performance of this Agreement by Assignor, this Agreement has been duly authorized,
 executed and delivered by Assignor and Assignor has the requisite power and authority to execute, deliver and perform this
 Agreement; this Agreement constitutes the valid, legal and binding agreement of Assignor, enforceable against Assignor in
 accordance with its terms; no payment or other distribution has been received by Assignor, or by any third party on behalf of
 Assignor, in full or partial satisfaction of, or in connection with the Claim; Assignor has not engaged in any acts, conduct or omissions
 that might result in Assignee receiving in respect of the Claim proportionately less payments or distributions or less favorable
 treatment per dollar of claim than other unsecured creditors; the Claim is not subject to any factoring agreement; Assignor has not
 previously assigned, sold or pledged the Claim to any third party, in whole or in part; Assignor owns and has title to the Claim free of
 any and all liens, security interests or encumbrances of any kind or nature whatsoever; and it is not subject to any offset, defenses or
 subordination that have been or may be asserted by or on behalf of Debtor or any other party to reduce the amount of the Claim or to
 impair its value. Assignor agrees to indemnify Assignee from all losses, damages and liabilities, including attorneys fees and
 expenses, which result from Assignor's breach of any representation, warranty or covenant set forth herein, or from any action,
 proceedings, objection or investigation relating to any attempt or threatened attempt to avoid, disallow, reduce, subordinate or
 otherwise impair the Claim or otherwise delay payments or distributions in respect of the Claim. Neither party hereto assumes or shall
 be responsible for any obligations or liabilities of the other party related to or in connection with this Assignment of Claim.

Assignor is aware that the above Purchase Price may differ from the amount ultimately distributed in the Proceedings with respect to
 the Claim and that such amount may not be absolutely determined until entry of a final order confirming a plan of reorganization.
 Assignor acknowledges that, except as set forth in this Assignment, neither Assignee nor any agent or representative of Assignee has
 made any representation whatsoever to Assignor regarding the status of the Proceedings, the condition of Debtor (financial or
 otherwise) or any other matter relating to the Proceedings, the Debtor or the Claim. Assignor represents that it has adequate
 information concerning the business and financial condition of Debtor and the status of the Proceedings to make an informed decision
 regarding the sale of the Claim and that it has independently and without reliance on Assignee, and based on such information as
 Assignor has deemed appropriate (including information available from the files of the Court in the Proceedings), made its own
 analysis and decision to enter into this Assignment of Claim.

Assignee assumes all of the recovery risk in terms of the amount paid on the Claim. Assignee does not, however, assume the risk that
 all or any part of the Claim may become, becomes, or is disallowed, avoided, reduced, disputed, objected to or otherwise impaired in

any way (any of the occurrences or conditions described is referenced herein singularly and/or collectively as an "Impairment"). In the
 event of Impairment, Assignor agrees to immediately refund an amount equal to the portion of the Claim Amount subject to the
 Impairment multiplied by the Purchase Rate.

In the event the Claim is ultimately allowed in an amount in excess of the amount purchased herein, Assignor is hereby deemed to sell
 to Assignee, and Assignee hereby agrees to purchase, the balance of said Claim at the same percentage of claim paid herein not to
 exceed twice the Claim amount specified above. Assignee shall remit such payment to Assignor upon Assignee's satisfaction in its

sole discretion that the Claim has been allowed in the higher amount and that neither the Claim nor distributions thereon is subject to any potential objection or reduction by the Debtor.

Assignor hereby irrevocably appoints Assignee as its true and lawful attorney and authorizes Assignee to act in Assignor's stead, to demand, sue for, compromise and recover all such amounts as now are, or may hereafter become, due and payable for or on account of the Claim herein assigned. Assignor grants unto Assignee full authority to do all things necessary to enforce the claim and its rights thereunder pursuant to this Assignment of Claim. Assignor agrees that the powers granted by this paragraph are discretionary in nature and that Assignee may exercise or decline to exercise such powers at Assignee's sole option. Assignee shall have no obligation to take any action to prove or defend the Claim's validity or amount in the Proceedings. Assignor agrees to take such further action, at its own expense, as may be necessary or desirable to effect the assignment of the Claim and any payments or distributions on account of the Claim to Assignee including, without limitation, the execution of appropriate transfer powers, corporate resolutions and consents.

Assignor agrees to forward to Assignee all notices received from Debtor, the Court or any third party with respect to the Claim assigned herein and to vote the Claim, and to take such other action with respect to the Claim in the Proceedings, as Assignee may from time to time request. Assignor further agrees that any distribution received by Assignor on account of the Claim, whether in the form of cash, securities, instrument or any other property, shall constitute property of Assignee to which Assignee has an absolute right, and that Assignor will hold such property in trust and will, at its own expense, promptly (but not later than 5 business days after receipt thereof) deliver to Assignee any such property in the same form received, together with any endorsements or documents necessary to transfer such property to Assignee.

The terms of this Assignment of Claim shall be binding upon, and shall inure to the benefit of and be enforceable by Assignor, Assignee and their respective successors and assigns.

Assignor hereby acknowledges that Assignee may at any time reassign the Claim, together with all right, title and interest of Assignee in and to this Assignment of Claim. All representations, warranties, indemnities and agreements made herein shall survive the execution and delivery of this Assignment of Claim and any such re-assignment. This Assignment of Claim may be executed in counterparts and all such counterparts taken together shall be deemed to constitute a single agreement.

This Assignment of Claim shall be governed by and construed in accordance with the laws of the State of New York. Any action arising under or relating to this Assignment of Claim may be brought in any State or Federal court located in the State of New York, and Assignor consents to and confers personal jurisdiction over Assignor by such court or courts and agrees that service of process may be upon Assignor by mailing a copy of said process to Assignor at the address set forth in this Assignment of Claim, and in any action hereunder Assignor waives the right to demand a trial by jury.

CONSENT AND WAIVER

Assignor hereby acknowledges and consents to all of the terms set forth in this Assignment of Claim and hereby waives its right to raise any objections thereto and its right to receive notice pursuant to Rule 3001 of the Rules of Bankruptcy Procedure.

IN WITNESS WHEREOF, the undersigned **Assignor** hereunto sets its hand this 22 day of November 2023.
